

## CHAPTER X.

### LOBSTER QUADRILLE

*... so you can have no idea what a delightful thing a Lobster Quadrille is!*

*'No, indeed,' said Alice. 'What sort of a dance is it?'*

Simi “kua drill”? said the Ah Beng. Here in Singapore, we dance something different on Wednesdays nights. Come, let me show you.

Send your team's best dancer to the Catering Area at 2pm for the big group event.

## Dance Event Instructions

You followed the Ah Beng to Zouk, the most iconic nightclub in Singapore, where Mambo Jambo dance nights used to be a hit every Wednesday. Alice seemed to have been here too, judging by the puzzle she left behind.

Maybe following the dance moves will lead you to another clue as to where she is now?

-----

There are 5 separate Mambo hits which you need to learn the dance moves from the Ah Beng. He will demonstrate the moves for each song twice.

Once you have learned the moves, you must form **groups of 5** to perform the dance moves for each song to the Ah Beng. If he thinks your group has done well enough, you will earn a card with a word to a clue phrase for this puzzle.

There are 2 stages:

Stage 1 - Starts at 2.00 pm, featuring:

- "Too Many Broken Hearts", "I Heard a Rumour"

Stage 2 - Starts at 2.30 pm, featuring:

- "Square Rooms", "Summer Rain", "Together Forever"

During each stage, you are to learn and perform the songs as stated above. Good luck!
