

Final Pit Stop [Runaround]

Before your team is allowed to check in to the Pit Stop and complete the race, you will need to solve the runaround puzzle. This final puzzle tests your team on your time spent during the race – (a) where you visited at some of the Route Info locations, (b) what puzzles your team have solved there and how, and (c) who from other teams had visited these locations and when.

On reflection, how did you feel while visiting each location during your journey?
