

## Race Rules

*In just a few minutes, you will be leaving on a round-the-world race that comprises puzzles at various locations which you need to visit and solve.*

*There are 7 **Route Marker** puzzles – The Final Pit Stop location and **Meta** puzzle will be revealed only after you solve either any 3 of these puzzles or the Fast Forward puzzle. (There is no limit to the number of teams that are allowed to complete the Fast Forward puzzle)*

*There are 8 **Route Info** puzzles – The meta puzzle uses these Route Info puzzles. But you may not need to solve all of the puzzles in order to solve the meta.*

*After solving the Meta, the final **Runaround** puzzle will be revealed. Once you complete the Runaround puzzle, you would have completed the race, congratulations! Feel free to continue solving the remaining puzzles, and there is also a bonus in store for you 😊*

*Keep an eye on the Discord channels for Hunt HQ updates and messages during the race. And feel free to message any Hunt HQ member for assistance, a chat, or any accessibility clarifications anytime.*

*The world is waiting for you. Good luck. Travel safe. Have fun. Go!*
