

Shibuya [Intersection]

Difficulty ★★☆☆

[Intersection - This is a puzzle that requires two teams to work together. Each team will pair up with one other team to solve this puzzle. You will need to contact other teams on the General Chat channel in Discord to either invite another team to pair up, or to accept an invitation to pair up from another team. When you have agreed with another team to form a pair for this puzzle, have both team captains contact Hunt HQ to receive a Discord notification and link to a shared spreadsheet for discussing and solving this puzzle together.]

This is a puzzle that requires two teams to pair up and solve together during the hunt. After a pair of teams is formed and contacts Hunt HQ, they would be separately provided with their half of the puzzle ([Team A](#) / [Team B](#)), and a shared spreadsheet for discussing and solving this puzzle together.
